

UNEMPLOYMENT INFORMATION

Just wanted to drop a line to talk about some questions that I have been getting; the answers will help all, so I thought I would share.

1. Do sign up online at uimn.org. Do not call, you will not get through or wait times will be extremely long.
2. Do call or email Kris Wick if you need wage information and start date. kwick@roccoaltobelli.com or 952-707-1900
3. UIMN will contact you when you become eligible by mail or through your account.
4. Gov. Walz has waived the non- payable or “waiting week” so applicant can access unemployment as quickly as possible.
5. While applicants typically have to look for suitable work while receiving benefits; Gov. Walz has said that if you are temporally laid off, (which you all are) if you maintain contact with your current employer during this time that alone fulfills the requirement.
6. Do have taxes taken out.

7. Do call Kris if you are frustrated... I may be able to shed some light on the situation and offer a hand to you.

8. We will get through this! Take Care to All !
